The project is organised by *_inventory* Platform and sponsored by the Genesis Foundation and Bagri Foundation.

The project is also made possible thanks to partnerships with international art organisations in Indonesia, Thailand and Ghana.

Week Four: Ewe

Va-Bene Fiatsi

Un(EARth)ing 'w-E-story" is a new performance piece investigating how individuals could create their own rituals to navigate their cultural identity. In the piece, the artist oils the body and burns the hair in order to regenerate the self.

Megborna

HAKPANYA is new performance piece involving live instruments, digital sounds, and traditional drums to reimagine the visual languages and culture of the Ewes.

Kafui Chordz

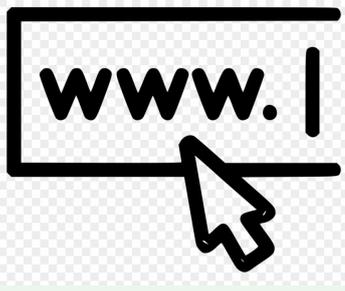

Presents a new live-streamed performance. The performance will primarily consist of four of her (mainly) Ewe songs. She will be supported by a band consisting of a drummer, a keyboardist, a guitarist, and a live sound engineer.

Cooking Session: Captain

As an Ewe, Captain has been so much inspired by many of the local Ewe traditional dishes. For this project, he creates “Nɔviwɔwɔ” (companionship) a social event. Captains’ kitchen would present a local Ewe dish called “yakeyake”, steamed pudding made out of cassava.

How to watch, follow and participate
